

NUPPI 0-12

(from birth up to 12 months of age)

Dry milk-based adapted infant milk formula/powder with prebiotics and nucleotides.
Immunity defence + comfortable digestion + balanced diet.

NUPPI is a dry adapted milk formula for infants from birth up to 12 months of age.

NUPPI contains all necessary **nutrients** which are important for proper development in baby's first months of life. **Prebiotics** promote digesting and prevent infections. **Nucleotides** support the immune system development. **Folic acid** maintains functional integrity of nervous system and optimizes growth of cells. **Iodine, iron and taurine** are also required for brain development and formation of eye-sight organs.

The product is made from high quality raw materials, manufactured in Europe in accordance with the European quality standards.

Does not contain:

- GMO
- FLAVOURS
- PRESERVATIVES
- COLORANTS
- ARTIFICIAL ADDITIVES

INGREDIENTS :

Demineralized whey powder, skimmed milk powder, palm oil, coconut oil, maltodextrin, galacto-oligosaccharides, soybean oil, corn oil, calcium carbonate, fructo-oligosaccharides, vitamin premix (ascorbic acid, tocopheryl, niacin, pantothenic acid, riboflavin, retinol, pyridoxine, thiamine, folic acid, phylloquinone, biotin, calciferol, cyanocobalamin), potassium chloride, potassium citrate, sodium chloride, calcium phosphate, taurine, emulsifier (soy lecithin), choline bitartrate, inositol, ferrous sulfate, nucleotide premix (cytidine-5-monophosphate, uridine-5-monophosphate, adenosine-5-monophosphate, guanosine-5-monophosphate, inosine 5-monophosphate), zinc sulfate, L- carnitine, antioxidant (ascorbyl palmitate), antioxidant (citric acid), copper sulfate, potassium iodide, manganese chloride, sodium selenite.
